Tortured artist? Not you. Bring on the calm while creating something beautiful with Rachel Austen's vintage-style paint-by-number kits. As you focus on each brushstroke, life's stresses stop swirling in your mind. Her simple designs use just eight colors, meaning you can make a frame-worthy work of art in 3-5 hours—even if you haven't held a paintbrush since second grade. Everything you need is included: full-color pre-printed background on artist-quality canvas; synthetic sable-hair brushes; and non-toxic, water-based acrylic paint. So move aside, coloring books: paint-by-number's due for its moment in the (yellow, #5) sun. Brushes made in China; everything else made in Portland, Oregon.
